The image shows a 5x2 grid of dot paper. The left column contains five examples of geometric shapes drawn on a 5x5 dot grid. The right column contains five empty 5x5 dot grids for practice. Blue curved arrows point from the first example to the first empty grid, and from the second example to the second empty grid.

- Row 1: An orange fish-like shape on the left, an empty 5x5 dot grid on the right.
- Row 2: A green arrow-like shape on the left, an empty 5x5 dot grid on the right.
- Row 3: A red zig-zag shape on the left, an empty 5x5 dot grid on the right.
- Row 4: A blue arrow-like shape on the left, an empty 5x5 dot grid on the right.
- Row 5: An orange star-like shape on the left, an empty 5x5 dot grid on the right.
