The worksheet is divided into two columns of tracing exercises. Each exercise consists of a 5x5 dot grid with a colored shape drawn on it, followed by an empty 5x5 dot grid for practice. Blue arrows indicate the direction from the example to the practice grid.

- Row 1: A blue cross shape on a 5x5 dot grid, followed by an empty 5x5 dot grid.
- Row 2: A green star-like shape on a 5x5 dot grid, followed by an empty 5x5 dot grid.
- Row 3: A pink star shape on a 5x5 dot grid, followed by an empty 5x5 dot grid.
- Row 4: A purple house shape on a 5x5 dot grid, followed by an empty 5x5 dot grid.
- Row 5: A green square with an inner square on a 5x5 dot grid, followed by an empty 5x5 dot grid.
- Row 6: A blue smiley face shape on a 5x5 dot grid, followed by an empty 5x5 dot grid.
- Row 7: A red figure on a 5x5 dot grid, followed by an empty 5x5 dot grid.
- Row 8: An orange octagon on a 5x5 dot grid, followed by an empty 5x5 dot grid.
- Row 9: A green tree shape on a 5x5 dot grid, followed by an empty 5x5 dot grid.
- Row 10: A grey example of five small triangles on a 5x5 dot grid, followed by an empty 5x5 dot grid.

Two columns of dot grid activities for tracing and drawing. Each row consists of a 5x5 dot grid with a colored shape drawn on it, followed by an empty 5x5 dot grid for practice. Blue arrows above the grids indicate the direction of the activity.

- Row 1: A green envelope shape on a 5x5 grid.
- Row 2: A pink diamond shape with a cross inside on a 5x5 grid.
- Row 3: A blue house shape on a 5x5 grid.
- Row 4: Five parallel purple diagonal lines on a 5x5 grid.
- Row 5: A red sailboat shape on a 5x5 grid.
- Row 6: A blue umbrella shape on a 5x5 grid.
- Row 7: A red bird shape on a 5x5 grid.
- Row 8: A teal house shape on a 5x5 grid.
- Row 9: A green house shape on a 5x5 grid.
- Row 10: An orange cross shape on a 5x5 grid.

The image displays a 5x2 grid of dot-pattern boxes. The first two columns are connected by a blue arrow at the top. Each row contains a colored geometric shape on the left and an empty dot grid on the right for practice. The shapes are: orange fish-like shape, purple crown-like shape, green arrow-like shape, teal square with internal lines, red zig-zag shape, blue diamond with internal lines, blue arrow-like shape, red arrow-like shape, orange star-like shape, and purple stepped square shape.

The worksheet contains two columns of five pairs of boxes. Each pair consists of a box with a colored pattern and an empty box for copying. Blue arrows point from the pattern boxes to the empty boxes. The patterns are as follows:

- Row 1: Orange geometric pattern (left) and empty box (right).
- Row 2: Red nested triangles (left) and empty box (right).
- Row 3: Blue geometric pattern (left) and empty box (right).
- Row 4: Green geometric pattern (left) and empty box (right).
- Row 5: Teal geometric pattern (left) and empty box (right).
- Row 6: Blue geometric pattern (left) and empty box (right).
- Row 7: Pink geometric pattern (left) and empty box (right).
- Row 8: Green geometric pattern (left) and empty box (right).
- Row 9: Teal geometric pattern (left) and empty box (right).
- Row 10: Purple geometric pattern (left) and empty box (right).
