The worksheet is divided into two columns. Each column contains five pairs of boxes. Each pair consists of a box with a 3D shape and a blank dot grid. Blue arrows point from the first box of each pair to the second. The shapes are:

- Row 1: Blue tetrahedron (left), blank dot grid (right)
- Row 2: Purple rectangular prism (left), blank dot grid (right)
- Row 3: Pink rectangular prism (left), blank dot grid (right)
- Row 4: Orange trapezoidal prism (left), blank dot grid (right)
- Row 5: Green cone (left), blank dot grid (right)
- Row 6: Red triangular pyramid (left), blank dot grid (right)
- Row 7: Blue square pyramid (left), blank dot grid (right)
- Row 8: Teal frustum (left), blank dot grid (right)
- Row 9: Pink rectangular prism (left), blank dot grid (right)
- Row 10: Purple stepped rectangular prism (left), blank dot grid (right)
